FORMAT OF THIS DOCUMENT

This document was created to match the Baseball Rules and Regulations of PONY Baseball with corresponding headings and numbering. This was done to allow quicker reference between the Rules of Morgan Hill PONY Baseball and the rules of PONY Baseball.

LEAGUE AGE KEYS

- A. "Traditional Ages" and "And Under"
 - (a) Shetland and Pinto use the "And Under" age key
 - (b) Mustang, Bronco and Pony Divisions use the "Traditional Ages" age key and do not allow "and under" player participation.
 - (c) Colt uses the "And Under" age key to allow inclusion of Pony age, rostered high school players to play in the Colt Division. This is done to support High School players who are not allowed to play in the regular spring season in the Pony age group and where Colt play is timed to begin after the end of High School play. Clarification: if a player is of Pony age, and makes their High School team, they cannot register for Pony Division play and join their team at the end of the high School season, they are to play Colt as an "And Under" Player.

Background of MHPB Vision and Mission Statement

MHPB developed a vision delineating elements that would be critical components to the future of MHPB. Emphasis was placed on creating an academically strong, community-connected program with a strong parent involvement component. Our mission statement was written to reflect the key elements of this model, which are outlined below:

- **Standards** - Athletic achievement will be highly valued; all players are expected to perform at their highest level and to excel in the content areas outlined in the skills standards.
- **Family participation** - Parents and extended family will contribute in a variety of meaningful ways on and off of the field to enhance the learning experience.

- **Technology** - Every player will have ready access to modern equipment and use technology across all athletic areas.
- **Formal enrichment activities** - All players will benefit from regular exposure to a variety of skills such as pitching, hitting, catching, and strategy.

- **Diversity** - A multi-ethnic and multi-lingual population will attend MHPB and all cultures will be valued. The diversity of language, culture, and occupations in our south valley community will be an important building block in the program's structure.
- **Personalization** - The goal is to have a league that each player is well known and individualized coaching can be applied.

20–GENERAL CONDUCT

Standard of Conduct

For all

Morgan Hill Pony Baseball Players

Baseball teaches us many things and it is great fun. We learn teamwork, fair play, competition, self-respect, and many other valuable things as we go through life. These things are best learned when player behavior contributes to the overall team well-being. Over time, the following guidelines have passed the test of time:

1. School work/homework comes first. The best baseball players tend to be good students.
2. Respect yourself – work to improve your skills.
3. Respect each other – help your team mates improve their skills
4. Respect your parents – they made this season possible for you
5. Respect the managers, coaches and umpires – they are volunteering their time for you
6. Respect the equipment – don't throw it
7. Be early for both practice and games; come with a positive attitude
8. No swearing or profanity at practice or games
9. Cheer your team's success not the other team's mistakes
10. Find the fun and reward the teamwork

If you don't understand any of the above work habits, your manager or coach will explain them to you. Make the best of the season, and good luck to you.

Standard of Conduct

For all

Parents Relatives and Spectators

1. I will strive to make positive comments only, being mindful that every player has family members in the stands
2. I will respect the efforts of managers, coaches and all volunteers, remembering that they have donated their free time for the benefit of our children
3. I will try to not find too much fault with the umpires and scorekeepers, as I really can't expect them to be as perfect as myself.
4. I will refrain from Profanity of any kind, as it is expressly prohibited by MHPB rules
5. I will abstain from Alcohol and Illegal drugs at obligatory MHPB functions.
6. I will allow designated coaches to coach during games and will not attempt to coach or give signs to my child during games. I understand that if I do coach my child during games, I will be asked to leave the field or may be suspended from MHPB games after being warned of violations. As the lines between cheering, encouragement and coaching can blur, this will be managed at the discretion of coaches and umpires.

- (b) Players may not pass on the "A" team and elect to play on the "B" team or pass on a younger age team to play on an older age team.
- (c) After the "A" team selection, the next 8 players receiving the most votes will become "must-take" players on the "B" team. If these 9 players cannot play, the above procedure will be followed to fill the team and these declining players will be considered "B" all-stars for next year's draft.
